*The purpose of our business directory is to increase awareness of church members who own particular businesses that members could patronize in an effort to support one another as church members and as fellow Christians. We also want to bring awareness to member business owners to cultivate networking with one another through fellowship. Members can receive a complimentary classified ad-style listing if they are self-employed, an independent contractor, or a business owner. Please email [info@firstchurch.church](mailto:info@firstchurch.church) with your information if you would like to be included for a listing or for more information on donating to receive advertising space in the directory.*
